Sleep Therapy Sound Machine

Instruction Manual

SS-2020-GB

2 year
guarantee

READ ALL INSTRUCTIONS BEFORE USE.
SAVE THESE INSTRUCTIONS FOR FUTURE REFERENCE.

IMPORTANT SAFEGUARDS:

WHEN USING ELECTRICAL PRODUCTS, ESPECIALLY WHEN CHILDREN ARE PRESENT, BASIC SAFETY PRECAUTIONS SHOULD ALWAYS BE FOLLOWED, INCLUDING THE FOLLOWING:

- ALWAYS unplug the appliance from the electrical outlet immediately after using and before cleaning. To disconnect, turn all controls to the 'OFF' position, then remove plug from outlet.
- NEVER leave an appliance unattended when plugged in. Unplug from the mains outlet when not in use and before putting on or taking off parts or attachments.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
- DO NOT reach for an appliance that has fallen in water or other liquids. Switch off at the mains and unplug it immediately. Keep dry – DO NOT operate in wet or moist conditions.
- NEVER insert pins or other metallic fasteners into the appliance.
- Use this appliance for the intended use as described in this booklet. DO NOT use attachments not recommended by HoMedics.
- NEVER operate the appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return it to the HoMedics Service Centre for examination and repair.
- Keep cord away from heated surfaces.
- Excessive use could lead to the product's excessive heating and shorter life. Should this occur, discontinue use and allow the unit to cool before operating.
- NEVER drop or insert any object into any opening.
- DO NOT operate where aerosol (spray) products are being used or where oxygen is being administered.
- DO NOT operate under a blanket or pillow. Excessive heating can occur and cause fire, electrocution or injury to persons.
- DO NOT carry this appliance by the cord or use cord as a handle.
- DO NOT use outdoors.
- This product requires a 220-240V AC power.
- DO NOT attempt to repair the appliance. There are no user serviceable parts. For service, send to a HoMedics Service Centre. All servicing of this appliance must be performed by authorised HoMedics service personnel only.
- Never block the air openings of the appliance or place it on a soft surface, such as a bed or couch. Keep air openings free of lint, hair etc.
- Do not place or store appliance where it can fall or be pulled into a bath or sink. Do not place in or drop into water or other liquid.
- Only use attachments/accessories supplied with the unit.
- The mains plug is used as the disconnect device. The unit will remain operable unless the plug is disconnected.

BATTERY PRECAUTIONS

- Use only the size and type of batteries specified.
- When installing batteries, observe proper +/- polarities. Incorrect installation of battery may cause damage to the unit.
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (ni-cad, ni-mh, etc.) batteries.
- Clean the battery contacts and also those of the device prior to battery installation.
- Remove used batteries promptly.
- When the product is being powered by mains or battery, if the unit is not going to be used for a long period of time, remove batteries to prevent damage due to possible battery leakage.
- Do not dispose of batteries in fire. Batteries may explode or leak.
- Dispose of used batteries properly in accordance with all state, province and county regulations.

CREATE YOUR PERFECT SLEEP ENVIRONMENT

Thank you for purchasing Sleep Solutions Portable Sound Machine. This, like the entire HoMedics product line, is built with high-quality craftsmanship to provide you years of dependable service. We hope that you will find it to be the finest product of its kind.

The Sound Machine helps create your perfect sleep environment. You can fall asleep to any of its six calming sounds. It can also mask distractions to improve your concentration while you read, work or study.

Sleep Solutions Portable Sound Machine Features

- 6 Nature Sounds: Thunder, Ocean, Brook, Summer Night, Rain and White Noise
- Auto-timer lets you choose how long you listen – 15, 30, 60 minutes or continuously
- Volume control adjusts the volume of the sounds
- Compact and lightweight for travel

MAINTENANCE:

To Store

You may leave the unit on display, or you can store it in its box in a cool, dry place.

To Clean

Wipe off dust with a damp cloth. NEVER use liquids or abrasive cleaner to clean. Modifications not authorised by the manufacturer may void users authority to operate this device.

Battery directive

 This symbol indicates that batteries must not be disposed of in the domestic waste as they contain substances which can be damaging to the environment and health. Please dispose of batteries in designated collection points.

WEEE explanation

 This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.

PRODUCT FEATURES:

INSTRUCTIONS FOR USE:

1. Unpack the product and check to make sure the adaptor is included (Fig 1).
2. This unit is powered by a AC adaptor, which is included or by four "AA" batteries (not included). 6V --- 0.3A output.
3. Attach the AC adaptor jack to the base of the unit and insert the cord into a 220V household outlet.
4. To install batteries, remove compartment cover. Insert four "AA" batteries into the compartment on the bottom according to the polarity direction indicated. Replace cover and snap into place.

Listening to Nature Sounds

1. Power the unit on by turning the VOLUME knob in the clockwise direction.
2. Press the button of the sound you wish to listen to (Fig 2). The green POWER LED will indicate the unit is on (Fig 3).
3. To adjust the volume, turn the VOLUME knob (Fig 3) to your desired level.
4. When finished listening to the sounds you may turn them off by turning the VOLUME knob to the off position (Fig 3).

NOTE: When the unit is turned on it will always default to the last sound used.

Using the Auto-Timer

1. When the power is on and you are listening to a nature sound you may set a timer so the unit will automatically turn off.

2. Toggle through the TIMER button (Fig 3) until the corresponding LED illuminates next to the time of your choice, 15, 30 or 60 minutes. The unit will automatically shut off after the selected time and the POWER LED (Fig 3) will remain lit showing you it is still in timer mode. If you choose to listen to another timed sound press the timer button to select a desired time. Or if you choose to listen to the sounds continuously, turn the unit off and then back on.

NOTE: Do not select the TIMER button if you wish to listen to the sounds continuously.

TWO YEAR GUARANTEE

HoMedics LLC. guarantees this product from defect in material and workmanship for a period of 2 years from the date of purchase, except as noted below. This HoMedics product guarantee does not cover damage caused by misuse or abuse; accident; the attachment of any unauthorised accessory; alteration to the product; or any other conditions whatsoever that are beyond the control of HoMedics. This guarantee is effective only if the product is purchased and operated in the UK / EU. A product that requires modification or adaptation to enable it to operate in any country other than the country for which it was designed, manufactured, approved and / or authorised, or repair of products damaged by these modifications is not covered under this guarantee. HoMedics shall not be responsible for any type of incidental, consequential or special damages.

To obtain guarantee service on your product, return the product post-paid to your local service centre along with your dated sales receipt (as proof of purchase). Please refer to 'HoMedics Service Centre' information leaflet for details of your local service centre. Upon receipt, HoMedics will repair or replace, as appropriate, your product and return it to you, post-paid. Guarantee is solely through HoMedics Service Centre. Service of this product by anyone other than the HoMedics Service Centre voids the guarantee.

This guarantee does not affect your statutory rights.
